

A Halloween-themed background image. On the left, a large, carved jack-o'-lantern with a glowing orange light inside is partially visible. In the background, three children are silhouetted against a dark, cloudy night sky. One child is wearing a witch's hat and holding a bucket, another is holding a trident, and the third is also holding a bucket. They appear to be trick-or-treating. The text is overlaid on the right side of the image.
